

TUMBLER

Meaning: A tumbler is a drinking vessel, typically without a handle, often made of materials like stainless steel or glass, and can also refer to a toy or device that rolls or spins.

1. She sipped her coffee from a sleek stainless steel tumbler.
2. The children laughed as they watched the tumbler spin on the table.
3. After a long day at work, he enjoyed a cold drink from his favorite tumbler.
4. For the picnic, she packed a reusable tumbler filled with refreshing lemonade.
5. He accidentally knocked over his tumbler, spilling water everywhere.
