

TUNICLE

Meaning: A tunicle is a short, ornate vestment worn by clergy, typically during religious ceremonies, often made of rich fabrics to denote significance.

1. The priest wore a beautifully embroidered tunicle during the ceremonial mass.
2. In ancient times, the tunicle was often made of luxurious fabrics to signify the importance of the wearer.
3. The vibrant colors of the tunicle caught the light, adding a touch of elegance to the religious service.
4. During the liturgical procession, each cleric donned a tunicle that reflected their rank and duty.
5. Historians often study the evolution of the tunicle to better understand medieval ecclesiastical fashion.
