

TUPAI

Meaning: Tupai refers to a small, agile tree-dwelling mammal, commonly known as a treeshrew, found in tropical forests, known for its foraging behavior and vocalizations.

1. The tupai darted across the forest floor, its agility impressive as it foraged for food.
2. In the distance, the sound of a tupai calling signaled the arrival of spring in the tropical rainforest.
3. Many locals believe that the tupai has a special significance in their folklore and traditions.
4. The vibrant colors of the tupai's fur make it a beautiful sight against the lush greenery.
5. Conservation efforts are crucial to protect the habitat of the tupai from deforestation.
