

# TUR

*Meaning: 'TUR' refers to a type of bird, specifically a large game bird found in mountainous regions, often associated with traditional Turkish cuisine.*

1. The tur was seen soaring high above the mountains during the early morning hours.
2. In traditional Turkish cuisine, the tur is often featured in various delicious dishes.
3. The artist used the vibrant colors of the tur to bring the landscape to life on canvas.
4. As we hiked through the forest, we spotted a rare tur nesting in the trees.
5. The ancient legend spoke of a mystical tur that granted wishes to those who found it.
