

TUSOCK

Meaning: Tussock: a dense clump of grass or other vegetation, often found in wetlands or grassy areas, that provides shelter and habitat for wildlife.

1. The lush green tussock swayed gently in the wind, creating a serene landscape.
2. Birds often nest in the tussock, finding shelter among its dense blades of grass.
3. As we hiked through the wetlands, we carefully stepped over the soft tussock to avoid getting our shoes wet.
4. The tussock provided a perfect hiding spot for the small animals that inhabited the area.
5. With its vibrant colors, the tussock added a beautiful contrast to the otherwise muted scenery.
