

TWIGLESS

Meaning: Twigless: lacking twigs or small branches, often resulting in a bare or clean appearance.

1. The forest floor was eerily twigless, giving the impression that it had been meticulously cleaned.
2. After the heavy snowfall, the trees stood tall and twigless, their branches bare against the gray sky.
3. In the absence of twigs, the garden looked strangely barren, lacking the usual signs of life.
4. The artist's sculpture was inspired by a twigless branch, highlighting the beauty of simplicity in nature.
5. As I walked through the park, I noticed a twigless path that seemed more inviting than the others.
