

TYER

Meaning: Tyer (noun): A variant spelling of "tire," referring to a rubber covering on a vehicle's wheel.

1. The tire pressure warning light illuminated on the dashboard, indicating it was time to check the tyer.
2. After a long drive, I noticed that the rear tyer had lost some air, so I pulled over to inspect it.
3. He decided to upgrade his vehicle with high-performance tyers for better handling on the track.
4. The mechanic advised her to replace the worn-out tyer to ensure her safety on the road.
5. In winter conditions, a good set of all-season tyers can make a significant difference in traction and control.
