

TYRAN

Meaning: 'Tyran' refers to a powerful and often oppressive ruler or leader, typically characterized by authoritarian control and a commanding presence.

1. The tyrant perched regally on the branch, surveying its territory with keen eyes.
2. In ancient tales, the tyrant was often depicted as a cruel ruler, feared by all.
3. The vibrant colors of the tyrant's feathers made it a standout among the forest's inhabitants.
4. Local folklore spoke of a tyrant that could control the winds and bring forth storms.
5. With a fierce call, the tyrant asserted its dominance over the other birds in the area.
