

# UNANELED

*Meaning: Unaneled: not having been finished or refined, particularly in terms of craftsmanship or artistic expression.*

1. The ancient artifact lay unaneled in the dusty museum, waiting for a skilled craftsman to complete its restoration.
2. Despite the pressure to conform, she chose to remain unaneled in her artistic expression.
3. The unaneled edges of the sculpture gave it a raw, unfinished quality that many found intriguing.
4. His thoughts were unaneled, flowing freely without the constraints of formal structure.
5. In a world of polished presentations, her unaneled honesty was a breath of fresh air.
