

# UNDECKED

*Meaning: Undecked: lacking decorations or adornments; bare or unadorned.*

1. The grand hall was left undecked for the annual gala, much to the disappointment of the attendees.
2. After the festivities, the once vibrant decorations were removed, leaving the space feeling bare and undecked.
3. The ship sailed away from the harbor, its deck undecked and ready for the long journey ahead.
4. As winter approached, the garden remained undecked, lacking the usual cheer of holiday ornaments.
5. In the absence of any adornments, the room felt strangely undecked, creating an air of simplicity.
