

UNKEMMED

Meaning: Unkemmaed refers to something that is untended, untrimmed, or in a state of natural disarray.

1. The garden was a wild tangle of unkemmed weeds and overgrown flowers.
2. Her hair fell in unkemmed waves, framing her face in a natural, effortless style.
3. Despite the unkemmed appearance of the park, the children played happily among the tall grasses.
4. The artist found beauty in the unkemmed landscape, capturing its raw essence on canvas.
5. His thoughts were as unkemmed as his backyard, scattered and unrefined but full of potential.
