

UNMEW

Meaning: 'Unmew' refers to the act of a cat or owl making sounds that resemble meowing, typically in a way that is softer or less pronounced, often indicating curiosity or a transition in the environment.

1. The cat seemed to unmeow as it explored the room, curious and alert.
2. After a long night, the owl began to unmeow, signaling the dawn's arrival.
3. She watched the kittens unmeow in delight as they played with each other.
4. The playful puppy would unmeow excitedly every time its owner returned home.
5. As the sun set, the birds began to unmeow softly, creating a peaceful atmosphere.
