

UNROOFED

Meaning: Unroofed refers to a state in which a building or structure has lost its roof, leaving its interior exposed to the outside environment.

1. The storm left many houses unroofed, exposing their interiors to the elements.
2. As we walked through the abandoned village, we noticed several unroofed structures slowly succumbing to nature.
3. The unroofed barn stood as a stark reminder of the devastation caused by the wildfire.
4. With winter approaching, the family was anxious about their unroofed home and sought immediate assistance.
5. In the art exhibit, the artist used an unroofed sculpture to symbolize vulnerability and exposure.
