

USHERLESS

Meaning: Usherless: lacking ushers or attendants to guide or assist guests or audience members.

1. The theater was oddly usherless, leaving the audience to find their own seats in the dim light.
2. In an usherless environment, guests often felt a sense of freedom to move about as they pleased.
3. The concert hall had recently gone through renovations, resulting in an usherless experience that surprised many attendees.
4. Without the guidance of ushers, the crowd became a chaotic mix of excitement and confusion.
5. The usherless event encouraged guests to interact more freely, fostering a communal spirit among strangers.
