

UTILITARIANISM

Meaning: Utilitarianism is a moral philosophy that advocates for actions that maximize overall happiness or benefit for the majority, often prioritizing collective well-being over individual rights.

1. Utilitarianism emphasizes the greatest good for the greatest number, often guiding ethical decision-making.
2. Critics argue that utilitarianism can overlook individual rights in its pursuit of overall happiness.
3. Many philosophers have debated the implications of utilitarianism in social justice and public policy.
4. In a utilitarian framework, actions are judged based on their consequences rather than their intentions.
5. The rise of utilitarianism in the 19th century marked a significant shift in moral philosophy, challenging traditional views.
