

VACATION

Meaning: Vacation: a period of time spent away from home or work for relaxation or pleasure, often involving travel.

1. After months of hard work, I finally took a much-needed vacation to the beach.
2. We decided to take a road trip for our vacation this year instead of flying.
3. Every summer, my family makes it a tradition to go on a vacation together.
4. I love exploring new cultures during my vacation and trying local cuisine.
5. This year, my vacation plans include hiking in the mountains and relaxing by the lake.
