

# VACATUR

*Meaning: Vacatur is a legal term referring to a court order that cancels or nullifies a previous ruling or decision.*

1. The court issued a vacatur of the previous ruling, allowing the appeal to proceed.
2. After reviewing the evidence, the judge granted a vacatur, effectively nullifying the earlier decision.
3. The legal team celebrated the vacatur as a significant victory in their ongoing case.
4. In light of new information, the attorney filed for a vacatur to challenge the initial verdict.
5. The vacatur meant that the defendant would no longer be bound by the earlier judgment.
