

VAGRANCY

Meaning: Vagrancy is the condition of being without a permanent home or means of support, often associated with homelessness and social issues.

1. Vagrancy has often been misunderstood as merely a problem of homelessness.
2. The city's laws on vagrancy aim to address the complex social issues underlying the phenomenon.
3. Vagrancy can lead to increased scrutiny from law enforcement and social services alike.
4. Many activists argue that vagrancy laws fail to provide meaningful support to those in need.
5. The rise in vagrancy during economic downturns highlights the vulnerabilities of marginalized communities.
