

# VAINGLORY

*Meaning: Vainglory is excessive pride in one's own achievements or qualities, often leading to a desire for admiration and recognition from others.*

1. His vainglory often overshadowed his genuine achievements, making it difficult for others to appreciate his true talents.
2. The artist's vainglory was evident in the way he flaunted his awards, seeking constant validation from his peers.
3. Despite his impressive credentials, her vainglory alienated her colleagues, who found her self-importance off-putting.
4. In a world where humility is valued, his relentless vainglory became a source of ridicule among his friends.
5. The politician's vainglory was ultimately his downfall, as voters grew weary of his self-congratulatory speeches.
