

# VENUE

*Meaning: Venue: a place where events, such as concerts or weddings, are held.*

1. The concert venue was packed with excited fans eager to see their favorite band.
2. Choosing the right venue for the wedding was a stressful but exciting part of the planning process.
3. The conference will be held at a prestigious venue known for its state-of-the-art facilities.
4. Local artists are showcasing their work at a new venue that opened downtown last month.
5. The sports event attracted a large crowd to the outdoor venue despite the chilly weather.
