

VERDICT

Meaning: A verdict is a formal decision or judgment made by a jury or an opinion formed after consideration.

1. The jury reached a unanimous verdict after deliberating for several hours.
2. Her verdict on the film was surprisingly positive, despite its mixed reviews.
3. The judge announced the verdict, and the courtroom fell silent in anticipation.
4. After years of investigation, the final verdict revealed the truth behind the scandal.
5. Many were shocked by the verdict, as it contradicted the evidence presented during the trial.
