

VESPIARY

Meaning: A vespiary is a nest or colony of wasps, typically constructed from paper-like material and often found hanging from branches or structures.

1. The vespiary hung like a delicate ornament from the branch, teeming with the activity of its inhabitants.
2. While hiking in the forest, we stumbled upon an abandoned vespiary, its once-bustling hive now silent.
3. The researcher carefully observed the vespiary from a distance, documenting the behaviors of the wasps.
4. As dusk fell, the vespiary glowed faintly in the fading light, casting eerie shadows on the ground.
5. She warned her children to stay away from the vespiary, knowing how aggressive the wasps could be.
