

VIARY

Meaning: Viary: a facility or enclosure for keeping and exhibiting birds, often designed to mimic their natural habitats.

1. The viary at the botanical garden features a stunning array of colorful birds from around the world.
2. Visitors to the viary can observe rare species in a carefully designed natural habitat.
3. After years of planning, the new viary opened to the public, attracting bird enthusiasts and families alike.
4. The sound of chirping filled the air as we walked through the lush plants in the viary.
5. Conservation efforts at the viary have helped several endangered bird species thrive in captivity.
