

VILLAN

Meaning: Villan: a character in a story, typically an antagonist, who embodies villainous traits and often has a complex backstory.

1. The story's villan had a tragic backstory that made him more complex than typical antagonists.
2. In the shadows of the city, the villan plotted his next move against the unsuspecting hero.
3. Many found it hard to believe that the charming businessman was, in fact, the villan behind the recent scandals.
4. The film's twist revealed that the true villan had been hiding in plain sight all along.
5. Despite his evil deeds, the villan managed to evoke a strange sense of sympathy from the audience.
