

VILLANAGE

Meaning: Villanage: a small rural community or village, often characterized by picturesque scenery and a close-knit atmosphere.

1. The quaint villanage was surrounded by lush green fields and rolling hills.
2. In the heart of the villanage, the annual fair attracted visitors from nearby towns.
3. Children played in the village square, their laughter echoing through the villanage.
4. Every villanage has its own unique traditions that reflect the culture of its inhabitants.
5. As the sun set, the villanage transformed into a picturesque scene, bathed in golden light.
