VILLANELLA

Meaning: A villanella is a form of poetic verse consisting of 19 lines with a specific rhyme scheme and a refrain, often used to convey deep emotions or narrative themes.

1. The poet chose to write a villanella, weaving intricate rhymes into a poignant narrative.
2. In her workshop, she taught her students how to craft a villanella that captured their emotions.
3. The villanella's repetitive structure added a musical quality to the already evocative words.
4. He admired how the villanella's three-line stanzas created a sense of circularity in the theme.
5. After reading several classic examples, she felt inspired to try her hand at composing her own villanella.
