

VINE

Meaning: A vine is a climbing or trailing plant with elongated stems that often requires support, commonly associated with producing grapes or similar fruits.

1. The vine climbed steadily up the trellis, its green leaves shimmering in the sunlight.
2. In the fall, the vineyard was filled with the sweet aroma of ripening grapes hanging from the vines.
3. She admired the delicate tendrils of the vine as they wrapped around the old oak tree.
4. A healthy vine can produce an abundance of fruit if properly cared for throughout the growing season.
5. The artist painted a beautiful mural of a blooming vine that seemed to come alive on the wall.
