

VIRTUALLY

Meaning: Virtually means nearly or almost entirely; in practical terms, but not completely.

1. The project is virtually complete, with only a few minor adjustments remaining.
2. She was virtually certain that she would pass the exam after studying so hard.
3. In the digital age, we can virtually connect with anyone across the globe in seconds.
4. The athlete was virtually unchallenged in the race, finishing far ahead of the competition.
5. He has virtually no experience in that field, but he is eager to learn and adapt.
