

VIVANDIER

Meaning: Vivandier: a person, typically a woman, who provided food and supplies to soldiers in a military camp or during campaigns.

1. The vivandier traveled alongside the army, providing essential supplies to the soldiers.
2. In times of war, the role of the vivandier was crucial for maintaining troop morale and sustenance.
3. With her keen sense of initiative, the vivandier set up a makeshift kitchen to feed the weary soldiers.
4. Historical accounts often overlooked the contributions of vivandiers, despite their significant impact on military campaigns.
5. The vivandier's cart was filled with bread, cheese, and other provisions, ready to support the hungry battalion.
