

# VIZARD

*Meaning: Vizard: a magical being or sorcerer with the ability to wield supernatural powers, often associated with transformation and control over natural elements.*

1. The old book described how the vizard had the power to control the weather.
2. In the story, the vizard transformed into a great beast to protect his village.
3. Legends say that the vizard wore a magical mask that concealed his true identity.
4. The villagers sought the wisdom of the vizard, hoping for guidance in their darkest hour.
5. With a flick of his wrist, the vizard summoned a brilliant light that illuminated the night.
