

VIZIER

Meaning: A vizier is a high-ranking political advisor or minister, often serving a ruler and wielding significant authority in state affairs.

1. The king relied heavily on his vizier for advice on matters of state.
2. In ancient Persia, a vizier often held more power than the nobles themselves.
3. The clever vizier devised a plan to outsmart the invading forces.
4. With a sharp intellect, the vizier navigated the complex political landscape.
5. After years of service, the vizier was granted the title of royal counselor.
