

VIZIR

Meaning: Vizir: a high-ranking official or minister in certain historical empires, particularly in the Middle East, who advises the ruler and often wields substantial political power.

1. The vizir advised the sultan on matters of state and diplomacy.
2. In ancient empires, the vizir held significant power, often rivaling that of the king.
3. The vizir's cunning strategies were crucial during times of war and peace.
4. After the death of the monarch, the vizir took charge until a new ruler could be established.
5. Historians often debate the role of the vizir in shaping the political landscape of the era.
