

VOLUNTARYISM

Meaning: Voluntaryism is a political philosophy advocating for all forms of cooperation and social organization to be based on voluntary consent, minimizing or eliminating government intervention.

1. Voluntaryism is based on the principle that all cooperation should be consensual.
2. Many adherents of voluntaryism believe that government should be minimized or abolished in favor of individual choice.
3. The philosophy of voluntaryism emphasizes personal autonomy and the right to make one's own decisions.
4. Voluntaryism challenges traditional notions of authority by advocating for non-coercive relationships.
5. In discussions about ethics and governance, voluntaryism often arises as a compelling alternative to statism.
