

VRAISEMBLANCE

Meaning: Vraisemblance refers to the quality of appearing true or plausible, particularly in art and literature, where it enhances the believability of a narrative or representation.

1. The artist's latest work captures a vraisemblance that blurs the line between reality and imagination.
2. In the realm of literature, vraisemblance is crucial for immersing readers in a believable narrative.
3. The film's stunning visuals created a vraisemblance that left the audience questioning what was real.
4. Critics praised the play for its vraisemblance, which made the characters' struggles feel authentic and relatable.
5. To achieve vraisemblance in her writing, she meticulously researched the historical context of her story.
