

WADDLINGLY

Meaning: WADDLINGLY: adverb describing movement in a clumsy, unsteady manner, typically characterized by a side-to-side swaying motion, reminiscent of how ducks walk.

1. The duck waddlingly made its way across the park, drawing smiles from passersby.
2. She entered the room waddlingly, her oversized costume making it difficult to walk gracefully.
3. The toddler waddlingly approached her mother, eager to show off her new shoes.
4. As the penguin waddlingly adjusted its footing on the ice, it drew laughter from the spectators.
5. He moved waddlingly after indulging in a large meal, his belly leading the way.
