

# WAID

*Meaning: The word 'waid' is not a standard English term; however, in the context provided, it appears to be a variant of 'weigh' or 'wait,' suggesting the act of postponing or delaying something.*

1. Waid has always been known for his exceptional talent in music.
2. The team decided to waid the project until more resources became available.
3. During the meeting, Waid presented a compelling case for the new initiative.
4. After a long discussion, we agreed to waid our decision until next week.
5. Waid's dedication to his work has earned him immense respect in the industry.
