

# WARRANTEE

*Meaning: WARRANTEE: A person or entity to whom a warranty is given, entitling them to certain rights and protections regarding a product or service.*

1. The warrantor is responsible for addressing any issues the warrantee may encounter with the product.
2. Before making a claim, the warrantee should carefully read the terms and conditions of the warranty.
3. In the event of a defect, the warrantee is entitled to a repair, replacement, or refund.
4. The company offered a two-year warranty, ensuring peace of mind for the warrantee.
5. It's important for the warrantee to keep all purchase receipts as proof of ownership.
