

WARRANTY

Meaning: A warranty is a written guarantee from a manufacturer or seller that specifies the conditions under which a product will be repaired or replaced if it is found to be defective within a certain period.

1. The warranty on the new laptop covers any hardware defects for three years.
2. Before purchasing the appliance, make sure to read the fine print of the warranty agreement.
3. If your phone breaks within the warranty period, you can return it for a full refund.
4. Many car manufacturers offer extended warranties to provide additional peace of mind.
5. Always keep your receipt, as it is required to validate the warranty claim.
6. The product comes with a two-year warranty that covers any manufacturing defects.
7. Before purchasing the appliance, make sure to read the warranty terms carefully.
8. If the laptop malfunctions within the warranty period, you can return it for a full refund.
9. Many consumers overlook the importance of registering their warranty to ensure full protection.
10. The dealership offered an extended warranty for an additional cost, which many buyers found appealing.
