

WESTERING

Meaning: Westering refers to the act or process of moving toward the west, particularly in relation to the position of the sun as it sets in the evening.

1. The sun was westering in the sky, casting long shadows across the field.
2. As the day drew to a close, the westering light turned the horizon into a canvas of vibrant colors.
3. They set out on their journey, moving steadily in a westering direction toward the setting sun.
4. The birds began their evening chorus, signaling the westering of the day as twilight approached.
5. With each step, they felt the warmth of the westering sun on their backs, guiding them home.
