

# WICKET

*Meaning: WICKET: A dismissal of a batsman in cricket, achieved by the bowler getting the ball to hit the stumps or by catching the ball after it has been hit but before it touches the ground.*

1. The bowler celebrated as he took the crucial wicket in the final overs of the match.
2. After a tense battle, the home team managed to secure the winning wicket just before sunset.
3. The wicket was deemed unplayable after heavy rain, forcing the players to abandon the game.
4. He was known for his ability to spin the ball, making it difficult for batsmen to defend their wicket.
5. In cricket, a team can lose the match if they lose all their wickets before reaching the target score.
