

WILL-O-THE-WISP

Meaning: A will-o-the-wisp is a phosphorescent light seen at night, often over marshy ground, that is believed to mislead travelers and is associated with folklore about mischievous spirits.

1. The mysterious lights that danced over the marsh were thought to be will-o-the-wisps, leading travelers astray.
2. Legends often describe the will-o-the-wisp as a mischievous spirit that lures people into danger.
3. As she wandered through the foggy night, the flickering will-o-the-wisp seemed to beckon her deeper into the woods.
4. Local folklore warns that chasing a will-o-the-wisp can lead to getting lost in the wilderness forever.
5. In many cultures, the will-o-the-wisp symbolizes unattainable desires or the fleeting nature of dreams.
