

WINDLESS

Meaning: WINDLESS: lacking or free from wind; calm.

1. The afternoon was beautifully windless, allowing the surface of the lake to mirror the clear blue sky.
2. In the windless valley, the scent of blooming flowers lingered in the warm air.
3. During the windless evening, we sat outside, enjoying the stillness and the stars above.
4. The sailboat remained docked, stranded in the windless harbor, awaiting a breeze.
5. On that windless day, the trees stood tall and silent, their leaves untouched by a single gust.
