

# WINDOW

*Meaning: A window is an opening in a wall, typically fitted with glass, that allows light and air to enter a building while providing a view to the outside.*

1. The sunlight streamed through the open window, filling the room with warmth.
2. She carefully wiped the condensation off the window to get a clearer view of the rain outside.
3. After the storm passed, he noticed a branch had fallen against the window, creating a makeshift barrier.
4. They decorated the window with festive lights, creating a cheerful atmosphere for the holidays.
5. As the meeting progressed, she found it hard to concentrate with the beautiful view just outside the window.
6. The old wooden window creaked as the wind howled outside.
7. She gazed out the window, watching the snowflakes dance in the air.
8. The artist captured the beauty of the sunset through the large window of his studio.
9. He opened the window to let in the fresh spring air and the sound of chirping birds.
10. A colorful stained-glass window adorned the entrance of the historic church.
