

WRIGGLER

Meaning: Wiggler: a small, often slender creature that moves by twisting or squirming, typically used to describe certain insects or young aquatic animals.

1. The little wriggler in the grass caught my attention as it squirmed away from my foot.
2. As I watched the wriggler twist and turn in the water, I couldn't help but smile at its playful energy.
3. After a heavy rain, the garden was filled with wigglers, each one searching for a damp spot to hide.
4. My daughter was fascinated by the wriggler she found in the backyard, eager to learn more about its habitat.
5. The wriggler's quick movements made it difficult for the bird to catch its lunch.
