

# YAOURT

*Meaning: Yaourt is a creamy dairy product made by fermenting milk, commonly enjoyed as a snack or dessert, often flavored or mixed with fruits.*

1. I enjoy adding fresh fruit to my morning yaourt for a nutritious breakfast.
2. After dinner, I like to have a creamy yaourt as a light dessert.
3. The local market offers a variety of flavors, but my favorite is vanilla yaourt.
4. You can use yaourt as a base for salad dressings to make them healthier.
5. For a refreshing snack, I blended some honey into my plain yaourt.
