YER

Meaning: 'Yer' is a colloquial contraction of "you are," often used in informal speech or dialects.

1. Yer going to love this restaurant; the food is amazing.
2. I can't believe yer still awake at this hour; you need some sleep.
3. Yer the only person I know who can make me laugh like that.
4. I saw yer new painting, and it’s absolutely stunning!
5. Make sure yer ready for the meeting; it starts at 10 AM sharp.
