

ZAMINDAR

Meaning: Zamindar refers to a landowner in India, particularly during the colonial period, who collected taxes from peasants and managed agricultural estates.

1. The zamindar played a crucial role in the agrarian economy of colonial India.
2. During the land reforms, many zamindars lost their vast estates to government regulation.
3. Historically, the zamindar was responsible for collecting taxes from the peasants on their land.
4. The zamindar's lavish lifestyle often contrasted sharply with the poverty of the farmers.
5. In some regions, zamindars were seen as both benefactors and oppressors by the local communities.
