

ZUBR

Meaning: Zubr is a noun referring to the European bison, a large herbivorous mammal that was historically widespread in Europe and is now a focus of conservation efforts.

1. The Zubr, or European bison, once roamed freely across much of Europe before facing extinction.
2. Efforts to conserve the Zubr population have led to successful reintroductions in several countries.
3. Visitors to the national park were thrilled to catch a glimpse of the majestic Zubr in its natural habitat.
4. The Zubr is known for its impressive size and distinctive hump on its back.
5. In folklore, the Zubr symbolizes strength and resilience, often appearing in local legends.
